**RS Technologies Co.,Ltd. Ranks 3**  
in the 13th Deloitte Touche Tohmatsu LLC Japan Technology Fast 50,  
A Ranking Program of Fastest-Growing Technology Companies,  
with a 1,300% Revenue (Sales) Growth Rate

RS Technologies Co.,Ltd. (Headquarters: Tokyo,140-0014,Japan, President/CEO: Nagayoshi Ho) announced today that it ranked **rank 3** in the 13th Japan Technology Fast 50, with revenue (sales) growth of 1,300% based on the past four accounting periods. Japan Technology Fast 50, announced annually by Deloitte Touche Tohmatsu LLC, is a ranking of the 50 fastest-growing Japanese companies in the technology, media, and telecommunications (TMT) industries based on their revenue (sales) growth percentage based on the last four accounting periods. (<http://www.deloitte.com/jp/fast50/2015>)

Japan Technology Fast 50 is a Japanese edition of the ranking program series of TMT industries compiled by Deloitte Touche Tohmatsu Limited (DTTL) for about 40 countries as well as for three regions: North America, EMEA and Asia-Pacific. It has been serving as a benchmark for growth potential and success for corporations in the TMT industries. Companies, both listed and unlisted, are eligible to apply for Fast 50 and the top 50 companies that have demonstrated exceptional growth in revenues (sales) based on the last four accounting periods are announced each year. Please visit <http://www.deloitte.com/jp/fast50> for further information on the program.

**About the Technology Fast 50 Program**

Japan Technology Fast 50 is the Japanese edition of the ranking series organized by Deloitte Touche Tohmatsu Limited, an international public accounting and consulting firm that ranks companies among TMT industries based on their recent revenue (sales) growth based on a four-year period. Because the revenue growth rates are used as indices, the ranking indicates the fastest-growing companies regardless of their sizes. Entries are accepted from both listed and unlisted companies and they are automatically nominated for the Deloitte Technology Fast 500 Asia Pacific that encompasses all technology industry segments including hardware, software, communications, media, life sciences and clean technology.
