## RST receiving Medals of Honor from Emperor of Japan

---

2020.11.2

RS Technologies received Medals of Honor, medal with dark-blue ribbon.

Medal with dark-blue ribbon is awarded to individuals or companies that have made exceptionally generous financial contributions for the well-being of the public by Emperor of Japan.

RS Technologies has been contributing to the Osaki-city of Miyagi, Japan where RS Technologies' manufacturing facility is located. Due to continuous contribution in the city by providing employment opportunities and donations called Furusato Nozei, RS Technologies was selected for this honorable award.

The awarding ceremony was held and the certificate of merit was passed from Osaki-city mayor, Yasushi Ito on November 2<sup>nd</sup>, 2020
